## Help your kitchen find its groove.

Choose a high-performance range hood with a thoroughly modern look. Its easy-to-clean stainless steel finish and three speeds are ideal for all types of cooking.

- European design chimney hood
- Push-button control
- 30-inch width
- Brushed stainless steel finish
- Centrifugal blower delivers 370 CFM
- Dual 20-watt halogen bulbs included
- Dishwasher-safe aluminum filter features a quick-release latch and professional style appearance.
- Ducted telescopic flue accommodates ceiling heights up to 8 feet.
- Install hood so that the bottom of the unit is 24" above the cooking surface.

### Range Hood Specifications
